

Pinterest:

To create a board: Click the + above your name and follow the steps.

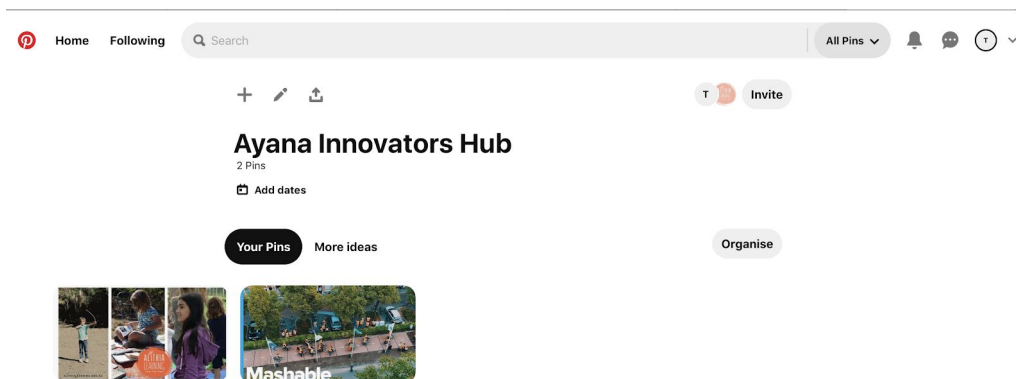

To upload a photo to a board:

Open the board you wish to post to by clicking it
Then click the + above the board's title.

Click: Create Pin

You can drop an image and write a description.

To share a video from YouTube:

Go to Youtube, find your video. Underneath the clip, click "share". Choose Pinterest and the board you wish to share it to.

To upload a video:

Pinterest has a limit to the file size, so we recommend uploading the video to YouTube and sharing from there.
